The following will be required for admission to the Master of Science:  
Business: Analytics program:

- Undergraduate degree. Common majors interested in this program include business, computer science, economics, engineering, mathematics, statistics, or other quantitative fields. Any undergraduate university degree is acceptable. Expected completion of an undergraduate degree is required prior to starting the Master of Science: Business: Analytics program.
- Resume.
- Response to essay(s) question.
- Interview (by invitation only).
- TOEFL or IELTS test score

The English Proficiency test score requirement is waived for students who have completed a four-year undergraduate degree and/or master degree (minimum of eight semesters total) with instruction in English or who will complete such a degree prior to matriculation in the Master of Science: Business: Analytics program.

All undergraduate and masters degree transcripts will be evaluated. Schools outside the United States may be verified by World Education Services at the individual class level.

### HOW TO APPLY

Students interested in business degrees do not apply through the Graduate School application system and should instead refer to

the School of Business Admissions page. (<https://business.wisc.edu/graduate/masters/business-analytics/admissions/>)
