Applicants who are currently enrolled in or have been accepted to a UW-Madison health sciences or graduate studies program may request to have copies of their transcripts sent from their program administrator to the School of Medicine and Public Health (SMPH) Office of Global Health.

All **Graduate School students** must utilize the Graduate Student Portal in MyUW to add, change, or discontinue any graduate/professional certificate. To apply to this certificate, log in to MyUW, click on Graduate Student Portal, and then click on Add/Change Programs. Select the information for the certificate for which you are applying.

All **Professional students** (primarily health sciences students) will receive a declaration form upon admission to the program which will need to be signed by their dean/advisor and returned to the SMPH Office of Global Health.

Students who already have an undergraduate degree with a major in Global Health from UW-Madison are encouraged to contact the SMPH Office of Global Health to discuss options for advanced study. Please do not apply for the graduate/professional certificate.
