Advanced Generalist Specialization

In a broad social justice framework, MSW students complete an advanced generalist practice specialization. Students may choose one of two focus areas: (1) Child, Youth, and Family Welfare; and (2) Mental Health. For more information about focus area recommendations, students should refer to the Specialization Handbook found on the Social Work website Student Resources page (<https://socwork.wisc.edu/students/resources/>).

Students may also choose to complete their advanced generalist practice specialization with no focus area, and still complete **Advanced Practice**, **Policies & Services**, and **Field Practice** courses that are based within focus areas, in addition to **Advanced Macro Practice** and three "free electives" chosen in consultation with an advisor.
