Admission into the master's degree program includes the Graduate School requirement that applicants hold a minimum undergraduate grade-point average (GPA) of 3.00 on the equivalent of the last 60 semester hours (approximately two years of work) or a master's degree with a minimum cumulative GPA of 3.00 is required. Applicants from an international institution must demonstrate strong academic achievement comparable to a 3.00 for an undergraduate or master's degree, using all credits from the degree to calculate the GPA equivalency. The Graduate School will use your institution's grading scale. Do not convert your grades to a 4.00 scale.

Applicants apply online through the Graduate School's application site (link found in the instructions on the School of Social Work website). A

complete application includes both the Graduate School application and the School of Social Work's supplemental application forms.

Applicants must review the instructions on the School of Social Work (<https://socwork.wisc.edu/admissions/mwapp/>) website for specific application details and prerequisites.
