

PUBLIC HEALTH, MPH

The Master of Public Health (MPH) program provides professional preparation in the core public health competencies to health professionals and students.

The degree provides a practice-oriented approach for those who want to strengthen their general knowledge and skills in public health, either through a single degree or through one of the program's many dual degree programs.

Visit our webpage for more information about the MPH Program and admissions requirements. (<https://www.med.wisc.edu/education/master-of-public-health-mp/>)
