

PRESELECTED SPECIAL

Students in this classification have been selected to participate for credit in a specific course, seminar, institute, workshop, or program. Admission requirements are established by the program or department that makes the final admission decision.

For most preselected special students, enrollment is for one term only for the specific course or program. Students who wish to be considered for enrollment in a subsequent term must contact the Adult Career and Special Student Services office to request a change of classification based on their academic plans or goals.
