

BUSINESS MANAGEMENT FOR AGRICULTURAL AND LIFE SCIENCES, CERTIFICATE

ADVISING AND CAREERS

ADVISING AND CAREERS

For academic advising information, please visit: aae.wisc.edu/undergrad/advising/

Students pursuing the certificate in business management for agricultural and life sciences are often interested in careers such as running a research lab, managing the books on their family farm, banking, business analysis, marketing, or management and sales, depending on their major. When combined with their major, the certificate can provide a basic background in business management that many employers find valuable.

Students can use the services provided by the CALS Career Services Office (<https://cals.wisc.edu/academics/undergraduate-students/career-services/>), which include help with creating a resume or cover letter and mock interviews. CALS students also have access to Handshake, an online job/internship posting tool that provides students with hundreds of job and internship listings.
