

# SCHOOL OF HUMAN ECOLOGY

## ENTERING THE SCHOOL

### ENTERING THE SCHOOL

#### APPLYING TO UW-MADISON

All prospective UW-Madison students must apply through the central Office of Admissions and Recruitment (<https://www.admissions.wisc.edu/>).

Students who indicate interest in a Human Ecology major on their UW-Madison application will be admitted to the Human Ecology program or pre-program of choice upon admittance to the university. In addition, students may indicate interest in a Human Ecology major when registering for Student Orientation, Advising, and Registration (SOAR).

#### VISITING CAMPUS AND HUMAN ECOLOGY

Human Ecology holds monthly visit events for prospective students and their families and guests.

View and register (<https://www.admissions.wisc.edu/visitbucky/events.php?etypeid=22>) for an upcoming visit event.

If you are unable to attend one of these dates, please contact the Human Ecology Advising and Career Center at 608-262-2608 or [advising@sohe.wisc.edu](mailto:advising@sohe.wisc.edu) to schedule an appointment.

#### CURRENT UW-MADISON STUDENTS

Students interested in the Human Ecology majors should refer to the program's "How to Get In" page or the Apply to Human Ecology (<https://advising.humanecology.wisc.edu/academics/apply/>) page for more information.

#### REENTERING STUDENTS

Students previously enrolled at the university who have not attended for a semester or more must complete a reentry application as outlined by the UW-Madison Office of Admissions and Recruitment (<http://www.admissions.wisc.edu>). Students who were enrolled in a School of Human Ecology program before their absence from UW-Madison will be readmitted to that program, provided they were in good academic standing when they left (i.e., not on probation, strict probation, or dropped by the university). Reentry applicants who were dropped by the university are asked to submit supplemental application materials. Instructions for the supplemental application are sent after the student has submitted the online reentry application.

Students who were previously enrolled in another UW-Madison school or college will not be admitted directly to a School of Human Ecology program. They must apply for reentry to the university with another school or college – usually the school or college in which they were previously enrolled. Once readmitted to the university, students may apply to the desired Human Ecology program through the application process for that program. For information about the school's programs and application

processes, see [Applying to Human Ecology as an On-Campus Student \(http://admissions.wisc.edu/apply-as-a-reentry-student/\)](http://admissions.wisc.edu/apply-as-a-reentry-student/).

It is recommended that students who have been readmitted to a School of Human Ecology program schedule an appointment with an academic advisor in the Advising & Career Center (<https://advising.humanecology.wisc.edu/>).
