ADVISING AND CAREERS

ADVISING AND CAREERS

Some majors require students to complete the whole program, but others do not. Check on your major requirements and with an academic advisor in your major. Review sample four-year schedules (<https://biocore.wisc.edu/four-year-schedules/>) for how Biocore fits into many different bioscience majors. Students who plan to study abroad during their junior year can plan to start Biocore as sophomores and complete coursework as seniors.

SUCCESSWORKS

SuccessWorks (<https://successworks.wisc.edu/>) at the College of Letters & Science helps you turn the academic skills learned in your classes into a fulfilling life, guiding you every step of the way to securing jobs, internships, or admission to graduate school.

Through one-on-one career advising, events, and resources, you can explore career options, build valuable internship and research experience, and connect with supportive alumni and employers who open doors of opportunity.
