## ADVISING AND CAREERS

### ADVISING AND CAREERS

The L&S Honors Program has a team of dedicated academic advisors who accompany and support Honors candidates from the time the students join the Honors Program through their graduation. Advisors help individual students as they navigate a large, complex university, explore diverse educational and cocurricular experiences, and develop and pursue long-term goals. Advising occurs through a variety of formats including small group workshops, individual appointments, drop-in hours, and email. Additional information is available on the Honors Program website (<http://honors.ls.wisc.edu/>).

The L&S Honors Program encourages our students to begin working on their career exploration and preparation soon after arriving on campus. We partner with the L&S SuccessWorks office to help students leverage the academic skills learned in the major(s) and liberal arts degree, explore and try out different career paths, participate in internships, prepare for the job search and/or graduate school applications, and network with professionals in the field (alumni and employers).
