

# COLLEGE OF LETTERS & SCIENCE HONORS IN THE LIBERAL ARTS

The College of Letters & Science Honors Program provides a community for many of the university's most talented and engaged undergraduates. Students of all backgrounds and academic interests challenge and learn from each other while working closely with faculty members and completing Honors coursework. The Honors Program is home to around 1,500 motivated, curious students, all pursuing one of three degree tracks: Honors in the Liberal Arts, Honors in the Major, or Comprehensive Honors –the highest undergraduate degree awarded by the college. In addition to an enhanced curriculum that offers small, faculty-led courses, the program also offers academic advising services; grants, scholarships, and awards; and many professional development and cocurricular opportunities. Events, term-specific deadlines, and much more can be found on the L&S Honors Program website (<http://honors.ls.wisc.edu/>). We welcome inquiries via email at [honors@honors.ls.wisc.edu](mailto:honors@honors.ls.wisc.edu). The L&S Honors Program is located in the historic Washburn Observatory at 1401 Observatory Drive in Madison, WI 53706.
