

# LGBTQ+ STUDIES, CERTIFICATE

The LGBTQ+ Studies Certificate Program is a campus-wide program open to students in any major. Courses that count toward this interdisciplinary certificate come from a wide range of fields including literature, history, sociology, medical history, as well as from gender and women's studies, which is in itself an interdisciplinary field. This certificate can complement many other programs and plans across campus, including, but not limited to gender and women's studies. New courses are added to the program each semester.
