

POLISH, BS

Polish is the most commonly spoken Slavic language of the European Union and the second largest Slavic language in the world, with over 50 million users across the globe. Poland has a unique and vibrant culture shaped by a millennium of artistic and intellectual innovation and struggles for political, social, and cultural independence. The country survived two world wars and half a century of communist rule to emerge as a regional leader in East-Central Europe, the fastest-growing economy in the European Union, and home to one of the most dynamic cultural scenes in the world. It is also a key NATO and U.S. ally in Europe. Polish diaspora is among the world's largest, with major concentrations in the United States, Canada, the United Kingdom, Germany, and France.

The Polish major offers courses in the Polish language, literature, culture, politics, and one of the most intricate, fascinating histories in Europe, providing the knowledge and skills for successful careers in business, politics, diplomacy, arts, translation, international law, environmental science, journalism, national security, tourism, and cultural services.
