ADVISING AND CAREERS

ADVISING AND CAREERS

Advising for the certificate is run by the Institute for Regional and International Studies (<https://iris.wisc.edu/>) (IRIS). The IRIS Assistant Director for Students and Curriculum advises the certificate and can assist you in developing your plan of study, track progress toward your certificate, explore study abroad and international internship options, and begin the career exploration process. We offer walk-in advising, advising workshops, and scheduled appointments. We strongly encourage students to begin career exploration early on and to make use of the many resources available on campus.
