## ADVISING AND CAREERS

### ADVISING AND CAREERS

#### DECLARE OR CANCEL THIS MAJOR

Please follow the process described on the Biology Major website (<https://biologymajor.wisc.edu/advising/>).

#### ADVISING

Your advisor is here to guide you through the Biology major. We can address your questions and concerns, provide advice, help you create a four-year degree plan that meets your major and professional goals, and connect you to resources. It is important to remember that advising is about the process, and some questions do not have a quick and easy answer. Your advisor will challenge you to self-reflect, to critically think about your goals and strategies, and to develop decision-making skills. For more information about what to expect during your advising appointment, visit UW Undergraduate Advising (<https://advising.wisc.edu/advising-101/>).

In the Biology major, students are assigned to an advisor according to last name. Please visit us here (<http://biologymajor.wisc.edu/advising/>) to schedule an advising appointment.
