

MOLECULAR AND CELL BIOLOGY, BS

ADVISING AND CAREERS

ADVISING AND CAREERS

You must first make an appointment to meet with a Molecular and Cell Biology advisor. Please find the Molecular and Cell Biology Advisor on Starfish.

Students who intend to major in Molecular and Cell Biology may not combine this major (“double major”) with the Biology or Biochemistry majors in either the College of Letters and Science or the College of Agricultural and Life Sciences (CALs).

SUCCESSWORKS

SuccessWorks (<https://successworks.wisc.edu/>) at the College of Letters & Science helps you turn the academic skills learned in your classes into a fulfilling life, guiding you every step of the way to securing jobs, internships, or admission to graduate school.

Through one-on-one career advising, events, and resources, you can explore career options, build valuable internship and research experience, and connect with supportive alumni and employers who open doors of opportunity.
